F. C. Uffelman Dies Sunday, November 17

Y-12 Official Was Active Sportsman

The Y-12 plant was diminished in the recent death of one of its best known employees. Fred Uffelman, a superintendent in Mechanical Operations, died Sunday, November 17, in Oak Ridge.

Mr. Uffelman came to Y-12 more than 20 years ago after his graduation from the University of Rochester where he was a Phi Beta Kappa student. Born in York County, Pennsylvania, he was an ardent sportsman. Often despite poor health, he bowled, water skied, swam, hunted and in the early days coached a softball team in the plant.

Active in community affairs, Mr. Uffelman served as chairman of the Mayor's Committee on Human Relations and was a member of the official Human Relations Advisory Board, which succeeded the committee. He was vice chairman and a member of the board of directors of the Oak Ridge Utility District.

Survivors are his wife, Mrs. Dean Uffelman; his father, Harry T. Uffelman, Venice, Florida; his mother, Mrs. Ruth McNabb and a sister Mrs. Jean Russell, both of Bel Air, Maryland.

According to wishes, the body was cremated and his ashes scattered over Norris Lake.

Old Timer Banquet Held Honoring Vets

Five Y-12ers Are In Select Company

Old-timers, with a cumulative 1,208 years of company service with Union Carbide Corporation, were honored Thursday, November 7, in Oak Ridge. Pat Garrigan, Oak Ridge Gaseous Diffusion Plant, was welcomed into the 25-year plus veteran group. He was presented a perpetual motion mantle clock.

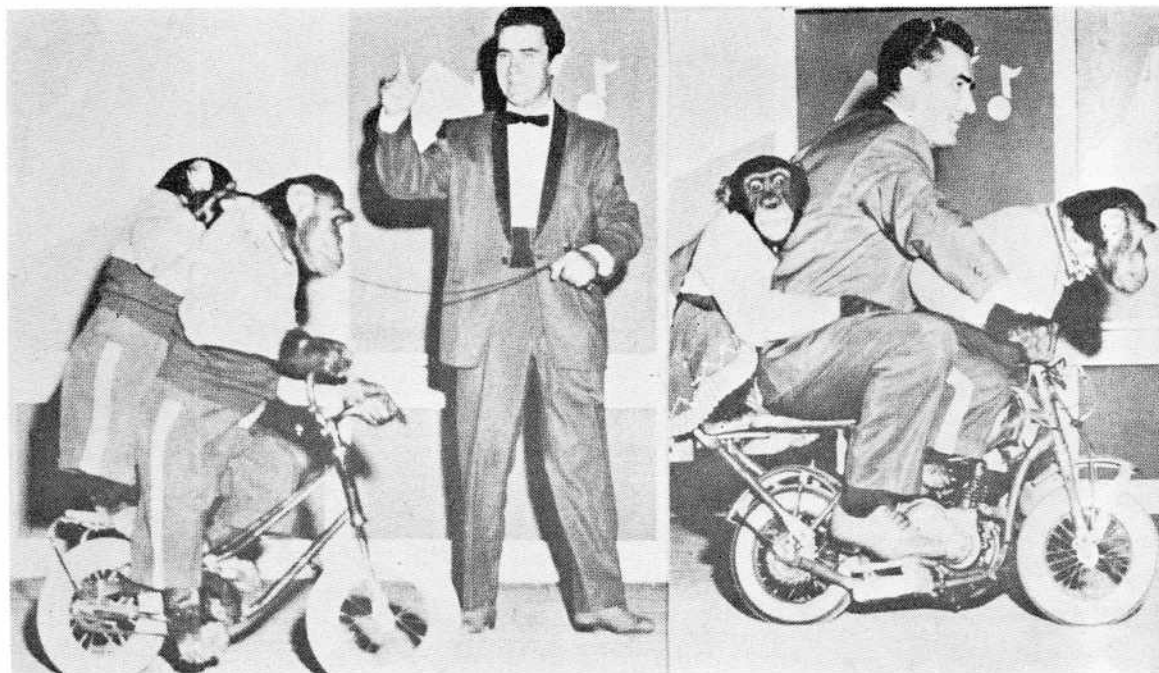

The service award is presented annually to each employee who completes 25 years of company service. These awards are the same throughout Union Carbide Corporation.

Y-12ers in the select group, in order of years of service, included: Daniel H. Rader (January 5, 1930—Chemicals Division, South Charleston); S. Finley Creigh (April 7, 1930—Chemicals Division, Louisville); Bert Davis (July 22, 1930—Chemicals Division, South Charleston); Dave Harrigan (September 15, 1934—Chemicals Division, South Charleston); and Tennyson I. Sloan (August 31, 1936—Carbon Division, Cleveland, Ohio). Sloan was unable to attend the banquet.

Clark Center, emcee of the dinner, pointed out that 58.4 per cent of these 1,208 years were spent on the atomic energy projects. He recalled many stories of the early days of Oak Ridge, and the Chemicals Division.

The "average" old-timer has a total of 31 years with Union Carbide, among the 39 employees at the four Nuclear Division plants who have reached the status, honorably known as the "Old-Timers" group.

ABLE ASSISTANCE TO OLD SANTA CLAUS will be provided at the Carbide Christmas parties for kids to be held Monday, December 23, by Erik Adams and his comedy chimps, seen above in two of their routines. Colored cartoons, stockings, and more surprises will round out the event. Ticket applications are on page four of this issue of the Bulletin.

Comedy Chimps To Assist Santa At Carbide Kiddies' Parties, Monday, December 23

Old Santa will get some assistance this year at the Carbide Christmas parties for youngsters. Comedy Chimps from Gibsonton, Florida, trained by Erik Adams will perform at the five parties planned for Monday, December 23. All children of Nuclear Division employees between the ages of two through 10 are invited to the festive party.

IN MEMORIAM

*"With a good conscience our only sure reward,
with history the final judge of our deeds, let us go
forth to lead the land we love . . ."*

—JOHN FITZGERALD KENNEDY

Y-12 OLD TIMERS who were honored at the November 7 banquet are seen above. From left are Daniel H. Rader, Dave Harrigan, Finley Creigh, Bert Davis, and Marvin Schwenn, who represented Y-12 management. Tennyson I. Sloan was unable to attend the annual dinner.

The same parties will be given on the 23rd at the hours of 9 and 11 a.m., and 1, 3 and 5 p.m. In addition to Erik and his educated chimps, there will be the jolly old Saint Nick himself . . . with the surprises that his over-stuffed bag always brings.

Colored cartoons, singing and merry-making, in general, will round out the holiday fun.

Y-12 adults will celebrate a little early this year . . . as the Y-12 Dance is set for Friday, December 6, a week from Friday night. Tickets (\$1.50 per person) are on sale in the Recreation Office and at the Cafeteria. The O. J. Bailey orchestra is set again for the Christmas Dance.

Applications for the children's parties are on page four of this issue of the Bulletin. Please indicate two preferences for times. Only a limited number of tickets are available for each party, and the tickets will be issued as the applications are received. (Please put the complete address on the application, also. The tickets will be mailed to your home.)

The parties will be held in the auditorium of the Oak Ridge High School on that Monday.

Mark the old calendar now before the dates get gummed up in the holiday sweep . . . December 6, Y-12 Dance, and December 23, the parties for all Carbide kids.

26 Acres Provided Thanksgiving Repast

Only 21 men and six boys survived the first cruel winter on Plymouth soil. As soon as the bleak and tragic winter ended, the hardy souls began tilling about 20 acres, planting corn, with an additional six acres for wheat, rye, barley and peas. The bounty of these 26 acres provided the food for the first Thanksgiving of 1621.

Turley M. Copeland Jr.

With the United States Air Force, stationed in Japan, is Turley M. Copeland Jr., son of Turley M. Copeland Sr., Production Machining. The young airman is doing accounting and auditing work for his Uncle Sam and is a student at the University of Japan in Tokyo where he studies architecture.

The Copelands live at Route 1, Harriman, near Kingston. The 19-year-old airman writes his folks glowing reports of the Orient and its people.

Airman Troy D. Dunnam

Airman Troy D. Dunnam recently completed United States Air Force basic military training at Lackland Air Force Base in Texas. He is being re-assigned to duty at Dover Air Force Base, Delaware, for training as a freight traffic specialist.

The son of Mr. and Mrs. A. G. Dunnam, 387 Robertsville Road, Oak Ridge, the young airman is a graduate of Oak Ridge High School.

His father is in Y-12's Electrical Department.

When adults act like children they are silly . . . when children act like adults they are delinquent.

There's no joke as old as the bar-room variety. Take, for instance, the latest one, making the rounds. A man orders a beer, looks at it, then yells at the bartender: "Hey, buster, what's that fly doing in my beer?"

The bartender sidles over, looks in the glass, then replies: "I believe he's doing an Australian Crawl right now."

CHEMICAL OPERATIONS

Back at work after enjoying her Atlanta vacation is Myrtle Leach. She visited her daughter and grandchild recently in the 'peaches and magnolia' country.

Bossman Marvin F. Schwenn is vacationing in Nassau . . . traveled there by boat.

Vacationers include Laura Hawkins, seeing the lights around Lake City . . . Joe Harless vacationed at home in Concord and everyone's trying to wrangle invites from him or Dean Reed for Thanksgiving Dinner, as both won turkeys at the big shoot.

Don't anyone cast any stones in the direction of Eva Lowe's domain at Caryville. She has the whole hillside covered with glass . . . (A greenhouse, that is.) Bob Wilder put in an application for the first job sometime ago, but Eva doesn't think he is qualified for the job for which he applied. She has put him on the list for her number one bookkeeper, as she will really need one of those.

INDUSTRIAL RELATIONS

The following from the Fire and Guard Department are vacationing this week to rest after the big Thanksgiving feed . . . E. F. Greer, P. C. Dabbs, T. J. Bush, O. D. Cloyd, W. N. Wilkerson, J. C. Mitchell, E. E. Turner and B. D. Hicks.

Jerry Callaway Sparks Carson-Newman Band

Jerry Callaway

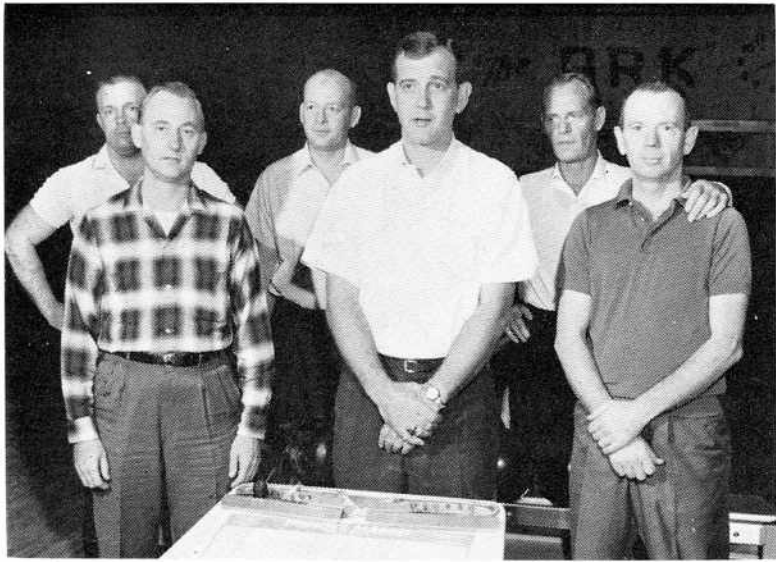

High-stepping with the Carson-Newman College band for her second year is Jerry Callaway, daughter of V. T. Callaway, Electrical. Jerry is majoring in physical education at the Jefferson City school.

She is president of the Physical Education Majors Club, vice president of the Women's Athletic Council, secretary of Women's Letter Club, and a member of the Calliopean Literary Society and Student National Education Association.

Carson-Newman will certainly miss this attractive lass when they strike up the band next year. Jerry graduates in June.

Rebels In Classic Lead Split Points

Rippers Are High On Boards For Week

No four point wins marked the 12th week of Classic League bowling. Three pointers were taken as the Markers had the Smelters, the Rippers took the Cubs, the Eightballs downed the Wolves, and the Playboys knocked off the Bumpers. Splitting two points each were the Rebels and Wasps, the Swingsters and All Stars, the Splinters and the Has Beens . . . and the Tigers and Screwballs.

Ray Seivers, Screwballs, took single highs with a 238, 266 game. Paddy Peckman, Rippers, took series highs with 592 scratch, 673 handicap totals. The Rippers took the complete board rolling 895, 1032, 2526 and 2937.

Y-12ers Active In Stanley Poole

The holiday season will begin cheerfully Thursday, November 28, with the opening of the Oak Ridge Playhouse's second production of the season, a military comedy entitled "Blood, Sweat, and Stanley Poole." Several Y-12ers will be present both on-stage and behind the scenes. Playing the leading role of Stan Poole, a supply officer who finds himself in some rather dire difficulty, will be Earnest Earley. The private who comes to his rescue will be Larry Albrecht as Robert Oglethorpe, a young man given to nervous reactions to bayonets, but who comes alive when placed face to face with some rather thick-headed soldiers who need a quick education. Harwell Smith and Jim Henry are other supply officers who join Poole in his shenanigans.

Mrs. Dave Alford acts as head of the prop committee and Charlene Palkowski will outfit the men in their various uniforms.

The military comedy will play Thanksgiving night through the week, and be repeated again the following week-end, December 5, 6, and 7. Early suggestions are suggested since weekend performances are frequently sold out.

AAUW Film Series Has Czech Cinema

The AAUW Foreign Film series this week-end features a new dimension into the works of Shakespeare. The Czechoslovakian made all color film of "Mid-Summer Night's Dream" will be presented Sunday, December 1, with showings at 7 and 9 p.m. and Jefferson Junior High School.

With narration by Richard Burton and the London Old Vic Company, the screen actors are puppets fashioned by the master Czech puppeteer Jiri Frnka. The fluidity of the movements are described as "Amazingly natural," and the film has been dubbed "expusite" by a multiple review staff. Paired with the unusual film is a Peter Sellers' comedy "A Taste of the Mukinese Battlehorn," a spoof on the Scotland Yard detective-type story.

A special rate will admit students at the AAUW-sponsored film. The Shakespeare film is especially recommended for high school students.

A NEW POSTER CONTEST is opened by the Safety Department, featuring the above prizes . . . a man's wrist watch, a heating pad, and an electric blanket. Irene Reed, Industrial Relations, holds the prizes. Deadline for the new quarterly contest is December 31.

Safety Department Opens New Quarterly Poster Competition

The Safety Department announces a new quarterly poster contest opening immediately. Entries will be taken for the first quarter of 1964 up until Tuesday, December 31.

Any Union Carbide employee in Y-12 or his dependent is eligible to enter the poster contest. The new race features no theme. Just make up your own . . . Seasonal appropriateness is permissible. That is, for the first quarter of '64, you could use winter weather as a theme.

Judging will be based on originality, and adaptability for making a poster. Employees may submit as many entries as they wish.

Address entries to Safety Department, Building 9704-2, Y-12.

Remember, the first quarter's poster ideas must be in by the end of December. With the holidays coming on, it would be wise to get yours in right away.

The winning contestant will have first choice of three awards, and the runner-up will have choice of the other two. The three awards offered for the first contest include: a man's wrist watch, a blanket and a heating pad.

Three lucky Y-12ers will take these prizes. Winners of each quarterly contest will be carried in the Bulletin.

Art Center Has Chinese Art Work

The works of a young Chinese artist Men-Chi-Kao will be on display at the Art Center Gallery, Outer Drive and Ogden Lane. The showings will be Sundays, December 1 and 8, from 3 until 6 p.m.

Consisting of 31 modern, abstract oils, 16 scrolls done in the ancient Chinese manner, and 13 woodcuts, the showing will include items for sale, ranging from \$12 for a woodcut to \$200 for one of the larger oils.

A native of Hong Kong, the artist holds a master's degree in art from Greensboro Women's College in North Carolina. She is planning a one-man show in Washington, D. C. soon.

Good Breakfast Urged For All-Day Alertness

After a good night's sleep, allow yourself enough time to get to work without hurrying and eat an adequate, balanced breakfast—citrus fruit, cereal, egg, beverage and toast. It helps keep you alert throughout the day. Take your time—start the day right to help yourself stay safe.

Two Divisions Plan Parties For Holidays

Two Y-12 divisions have already announced plans for holiday parties. Mechanical Operations will have its Christmas Dance, Saturday, December 7, at the Oak Terrace. Technical Services plan their party for Saturday, December 14, at the Holiday Inn, Oak Ridge. Technical folks are tacking a breakfast onto their festivities.

Tickets are available throughout both divisions for these parties.

Hatteras Banks Has New Bridge Open

Vacationers on the eastern sea coast will be interested in a new bridge which opened November 20. North Carolina's famed Outer Banks islands are now connected by a two and one-half mile bridge.

Built of reinforced concrete and steel with a 28 feet wide roadway . . . the bridge extends from a point near lower Nags Head to the northern tip of Hatteras Island. Now America's first and largest national seashore is accessible by more than 50 miles of paved highway. Campers and vacationers, take note.
